

Fire Utility Boat Project

From A Surplus Navy Vessel

To Fire Utility Boat

*Serving Hat Island and the surrounding
area, the vessel will:*

Transport Fire Fighters and equipment,
Evacuate persons from roadless areas,
Transport patients,
Assist mutual aid partners in search & rescues, and
Assist boaters.

Funding Marine 27

A Project by the Fire Auxiliary Team

Funding Goal: About \$49,000 is needed to repair and equip the 30 foot boat that was used by the Navy and was free to the Fire District.

Funds Received So Far: About \$32,000 (65% of goal)

About \$24,000 from a state grant. Fund raising and donations make up the rest.

What Does The Boat Need?

Short Answer: Everything. From the very basic boating gear like fenders, lines, and lights to Coast Guard required safety items like life jackets, horn, life ring, navigation lights, and anchors. Also, all the electrical system from batteries, wiring and switches. Add the emergency equipment like spot lights, siren, towing gear, fire fighting equipment, and deck storage boxes. Plus the essential electronics like radio, chartplotter, AIS, night camera, and depth sounder. Add, the desire to expand the cabin to transport a patient.

Ways You Can Support Marine 27: 1. MAKE A CASH DONATION

- **BRONZE LEVEL.** Less than \$100. Your name is listed on the wall at the Fire Station.
- **SILVER LEVEL.** Less than \$500. The above and get a special boat ride.
- **GOLD LEVEL.** \$500 or more. All of the above plus your name is displayed on the cabin of the boat in 1" high letters for three years. For every additional \$500 and the letter size increases by 1 inch.

Mail your donation to Hat Island Fire Auxiliary, P.O. Box 1846, Everett, WA 98206. Drop a check off at the Hat Island Office, or Venmo using this
